The Blackhawks Alumni Association (BHAA) distributes college scholarships annually to the most deserving high school hockey players. Awards are determined from a candidate's level of community service, volunteerism, good citizenship, as well as the hockey talent of the individual who receives \$5,000.00 annually over four years.

In December of each year, a recommendation form is sent to each high school coach in the State of Illinois. The coaches are asked to identify one outstanding individual whom they feel is worthy of this prestigious award. Once all of the forms are gathered, a selection committee from the Blackhawks Alumni Association (BHAA) will review all of the candidates and then select the recipients.

Thank you to all of the High School coaches who took the time to submit player recommendations in the previous year. For those coaches who did not submit a recommendation by the deadline, we can only ask please make the time for this prestigious award by sending in your recommendation. The players really deserve it!
