

Chicago Blackhawks Alumni Association®

Thank you for your interest in the Blackhawks Alumni Association Scholarship Program.

The Chicago Blackhawks Alumni Association (CBAA) distributes college scholarships annually to the three most deserving high school hockey players. Awards are determined from a candidate's level of community service, volunteerism, good citizenship, academic performance as well as the hockey talent of the individual who receives an annual \$7,500.00 scholarship over four years.

On December 15, 2021 the scholarship application is available for download at www.blackhawkalumni.com. You may also apply online.

Due to the COVID-19 pandemic and its associated restrictions, this year's application deadline has been extended to Friday, March 4, 2022. Once all forms are gathered, a selection committee from the Blackhawks Alumni Association (CBAA) will review all candidates and then select the three recipients.

Thank you to all the High School players who took the time to submit applications in the previous year. Thank you also to the coaches, managers and team/league presidents who promote and support this effort. The players really deserve it!
